| | Your total | _____ |
| | Check # | _____ |

***Since skiing and snowboarding can be dangerous activities, the club sponsors require that students take a lesson on their first trip with us. All lessons are with a certified instructor. We do not require helmets, but we highly recommend that you wear one.**

The registration form and permission slip and check for appropriate amount payable to JH-FASAF (Junior High Freeport Area Student Activity Fund) must be returned to Mr. Cartiff by the end of the school day, Wednesday, January 24th, 2018. No registrations will be accepted after that time. Forms must be turned into Mr. Cartiff, not the office. If you choose to cancel after paying for the trip, you must submit the cancellation in writing to Mr. Cartiff by 8:00am the day of the trip. A student who fails to submit a written cancellation will forfeit the bus money paid for said trip. Students must ride the bus to and from seven springs. The bus leaves school at 2:15pm and returns to the middle school at approximately 11:30pm. **Transportation from the middle school to your home is the responsibility of the parent or guardian.**
