October 13, 2017

Dear Parents/Guardians:

We will be celebrating Veteran's Day with our annual program on **Monday, November 13, 2017**. As with previous years, we are continuing the tradition started by former Principal Robert Schleiden honoring the service of local veterans in the school setting. In an effort to recognize service to this great nation, and educate our students about the role our armed forces continue to play in ensuring our freedom and liberty. Veterans will be grouped together as a classroom panel to share their stories and interact with our students during their Social Studies class. Student escorts will be assigned to each panel to serve as liaisons and to assist our veterans as needed. Teachers in each classroom will facilitate the discussions. In addition to the classroom panel sessions, the program will include a continental breakfast and luncheon.

We are looking for men and women who have served our country and would like to participate in our program. If you have any family members or friends whom we could invite, please email Mrs. Haugh at haugh@freeport.k12.pa.us or call the High School at 724-295-5143 ext. 1249 with their names and addresses.

Thank you in advance for your assistance.

Sincerely,

A handwritten signature in black ink that reads 'Michael Kleckner'.
