Class Rules

All students in Ms. Pearson's class must follow all Freeport Area Middle School rules. In addition, all classroom rules must be followed to provide the most supportive learning environment for all students:

1. **Be Prompt** - You must be on time for class. This means pencils must be sharpened, you are in your seat when the bell rings, and materials are out on your desk. If you are late 3 times without a hall pass, you will receive detention. Please use the restroom before or at the end of the class. You will not be permitted to leave the room without your assignment journal for a hall pass. DO NOT interrupt instruction to use the pass unless it is an emergency.
2. **Be Prepared** - You should always bring your ALL notebooks, folders, assignment journal, and writing utensils with you.
3. **Be Polite** - Talking out, being out of your seat, "poking fun," or any other interruptions *will not* be tolerated. You must respect other's opinions, and raise your hand to speak. Remember that no one likes to be interrupted and everyone's opinion is valuable. You must also never touch anything that is not yours, nor deface your desk or books, which you are responsible for if they are damaged.
