July 1, 2019

Dear Freeport Senior Class of 2020:

Please be aware that **all seniors will be photographed Tuesday, September 3rd at the high school by a portrait photographer.** If you are absent on that day, a makeup date will be available, most likely during the month of October. Seniors have the **option** of submitting their own photograph for the yearbook or using the portrait taken at school.

If you choose to submit your own photograph, **it must be submitted electronically by, Friday, December 6, 2019. The picture should be a portrait orientation, forward facing bust shot, high resolution.jpg format. Full body and sideways pictures will not be accepted.** The picture should be school appropriate (no weapons, or sunglasses) and students should be in dress attire. If a suitable picture is not submitted on time, the portrait taken at school will be used in the yearbook. There will be no exceptions.

Also please note these other yearbook deadlines:

- ☐ December 6th senior advertisements
- ☐ January 17th for all yearbook orders and name stamps on books

If you have any questions you can email Mrs. Zboran at zboran@freeport.k12.pa.us or call the high school office 724-295-5143.

Thank you,

Mrs. Zboran
Yearbook Adviser
