

Dear Parents,

The annual South Buffalo Winter Carnival is Friday, January 26th and is quickly approaching. Our Kindergarten team will be selling ice cream sundaes. In order for the event to be successful and for all collected funds to go directly to local Freeport area charities we are asking for your help. However, no sundae is complete without the 'goodies.' The Kindergarten teachers will donate anything else that is needed. In order to get variety and everything needed, the toppings will be divided among the Kindergarteners. If your family is able to donate, please send in the item that is listed next to your child's name. Please send your item into school by Monday, January 22nd.
